Beautiful villa with infinity pool and panoramic views, peaceful environment, central to all. Beautiful Provencal style villa in romantic, welcoming and secluded environment.

The villa offers wonderful panoramic views of the Mediterranean sea and hills from Nice to Saint Tropez on the French Riviera in the South East corner of France.

A large lounge and dining area with American style kitchen, Terrace overlooking infinity pool with panoramic views and garden. Three very spacious double bedrooms with en-suite bathrooms and a separate large shower room and toilet. Sleeps six in three bedrooms.

There is a sun terrace and gazebo by the infinity pool with views to the sea. Please note I have two healthy independent cats who would appreciate dried food and water in bowls and the occasional cuddle. The Villa is ideal place to enjoy as a health retreat with plenty of space to exercise, a juicer and peaceful environment to meditate, write or paint. Organic food can be delivered if required and there is a forest two minute walk away for jogging or hiking around the hills and enjoying the beautiful scenery and views.

The owner could arrange to do health, meditation and yoga classes for a single or couple by prior arrangement. Please contact Penny at meditate4life.co.uk for more information about booking this villa direct with owner or visit her website for further information about the special healing, meditation and yoga classes at her beautiful Grasse villa with outstanding views.

The villa currently has Sky TV, telephone and internet connection is available. Although in a peaceful beautiful environment the villa is only 5 mins from Grasse, 10 min from the beautiful hill village of Valbonne with many restaurants and 30 mins from Cannes and Nice.

There is a beautiful golf course in Opio about 5 minutes drive away and a Club Med holiday resort that offers a daily rate if you would like to use their facilities that includes health spa, large swimming pool, tennis courts, and restaurants. There is also a tennis club in Opio just down the road and several fitness studios. For the ardent shoppers Cannes, Nice and a huge shopping complex known as Cap 3000 and Polygon are all within half an hours drive and all have a wonderful selection of the latest fashions in clothes and other goods.

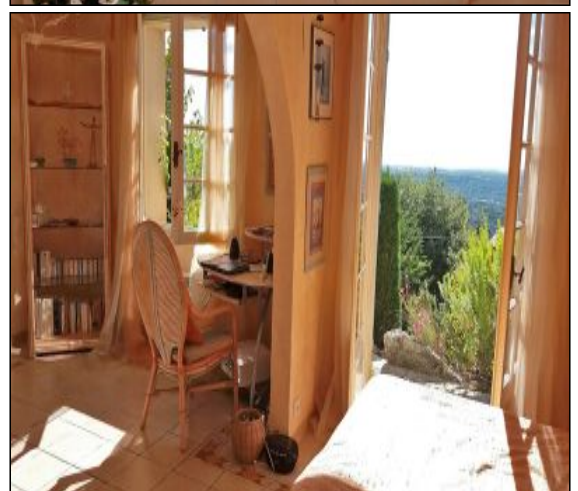

All around are great hiking possibilities and there is a paragliding school near Gourdon about 10 minutes drive away. There are plenty of boating, sailing and canoeing possibilities in all the sea resorts close by including Lac St Cassien in the mountains of the Tanneron. There are several popular Ski resorts within 2-4 hours drive away.

Art can be found everywhere in the hills, villages, and towns and it is a sightseer's photographic paradise. There are a number of painting and drawing schools close by and plenty of dance schools for ballroom dancing and salsa classes. For those on a healing retreat, I have many contacts for health food shops, bio dance and meditation classes, massage, and other healing practitioners and seminar possibilities. There is even an excellent French college in Cannes that has very good rates and runs courses all year round.
